

LigoDLB 5-90

Product End of Life Announcement

LigoWave strives to deliver the ultimate user experience and impeccable product functionality. As technologies continue to progress, certain hardware and software become obsolete and eventually discontinued to make room for newer and more advanced technical equipment. With its solid expertise and know-how within the field, LigoWave will help you through this transition.

LigoWave hereby announces that it is initiating the end of life of the following product and provides relevant end of life dates:

Product	Description
LigoDLB 5-90	A 5GHz base station with 802.11n and an 18dBi 90° sector antenna for short-to-mid range PTP/PTMP scenarios.

End of Life Timeline

Announcement ¹	End of Sale ²	End of Software Maintenance ³	Last Date of Support ⁴
January 2, 2018	June 2, 2018	January 2, 2020	January 2, 2021
